neat.

Neat Board Collaboration System

Neat Board transforms your meeting space experience by packing powerful technology and pioneering capabilities into an elegant all-in-one design.

It's perfect for bringing superior-quality audio, video and collaboration tools to your huddle, focus and meeting spaces.

Neat Board includes Screen, Camera, Speakers, Microphones and environmental sensors all in one compact design.

Neat Board works standalone but can also be accompanied by optional Neat Pad Controllers and Scheduling Displays.

Simple setup

Neat Board is easy to set up, having just one cable and a choice of either a floor stand, with optional wheels, wall mount or table stand.

Everything you need

Neat Board comes with everything you need to get started, including cables and the chosen mounting option.

In the box

Neat Board: All-in-one collaboration system
Ethernet cable: 16.4ft (5m)
